ACE WOMEN'S LUNCHEON

The ACE Women's Luncheon embraces the power and influence of women in expanding education, creating opportunity, and transforming lives.

Together, we have the ability to change the status quo of education in this state, and our nation. By supporting ACE Scholarships, we are proving that when parents are given the opportunity to choose the best educational option for their families, children thrive.

KEYNOTE SPEAKER
JENNIFER SEY

ABOUT Jennifer

Jennifer Sey is the former Global Brand President of Levi's who has been thrust into the national spotlight after being pushed out of the company for voicing dissatisfaction with California's public school shutdowns and treatment of children during the pandemic. Despite having worked at Levi Strauss & Co. for more than 20 years and being on track to become the next CEO, she resigned and turned down a \$1 million severance package offered in exchange for her silence about the circumstances of her departure from the company.

Sey was the 1986 USA Gymnastics National Champion, and a 7-time member of the U.S. Women's National Team. Her first memoir, "Chalked Up," was published in 2008, and detailed the systemic abuse of children in the sport of gymnastics. She also produced the 2020 Emmy award-winning documentary film, "Athlete A."

Sey is currently working on a new documentary about the devastating impact of prolonged school closures on kids and families across the country.

She is a sought-after speaker, author, filmmaker, and business executive. A mother of four, she now resides in Denver with her family.
